Features and benefits

Unmatched depth of nursing quality data

More than 2,000 participating facilities, including 99% of Magnet® Recognized facilities, and unit-level benchmarks enable fine-tuned performance comparisons.

Accelerate nursing quality improvement

Dynamic reporting capabilities include modern, intuitive dashboards and navigation that ensure faster and easier access to nursing quality results.

Improve performance across care settings, including ambulatory

More than 250 nursing measures and quality indicators are available for a wide variety of patient populations and settings.

Capture the voice of nursing to improve quality

Reduce costly nurse turnover and improve nursing culture with a unit-level annual nurse survey with linkages to patient outcomes.

Achieve nursing excellence

Demonstrate the highest levels of performance with reporting aligned to nursing-sensitive measures and RN engagement.
