Nursing Center of Excellence

Insights, best practices, and tailored support from Press Ganey's nursing experts—all under one roof

Partner with industry nurse leaders

Our nurse leaders and advisors—equipped with decades of healthcare experience and advanced certifications including NE-BC, NEA-BC, FACHE and FAAN—work directly with your nurse leaders to navigate workforce challenges and implement improvement strategies.

Access decades of trusted research

Work with NCoE nursing leaders leverage our extensive library of resources, data, and benchmarks—3.4 million caregiver voices—for recommended toolkits, solutions, and action plans.

Achieve nursing excellence

Beginning your journey seeking Magnet® recognition? We're here to support you—from analyzing your current performance data and identifying immediate areas of improvement to application preparation and submission.

Collaborate for continued success

Engage with our thought leaders and experts in person for learning forums, networking sessions, or professional development events for your current and future nurse leaders.
